DETAILED ACTION

Allowable Subject Matter

1. Claims 1-20 allowed.
2. The following is an examiner's statement of reasons for allowance: Prior art failed to establish a semiconductor device comprising a substrate, a first insulator layer formed on the substrate, a first conductive layer formed on the first insulator layer, a second insulator layer formed on the first conductive layer, the second insulator layer including a through hole having a substantially vertical side face; a second conductive layer formed on the second insulator layer; a dielectric sidewall structure formed on the side face of the through hole so that the dielectric sidewall structure gradually narrows the through hole; and a fuse formed of a conductive material that buries the narrowed through hole, said fuse having a lower end connected to the first conductive layer and an upper end connected to the second conductive layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
